

MANILA AND SOLAIRE

# AT THE HEART OF THE PHILIPPINES

Centered in the growing Asia-Pacific cruise region, the Philippine archipelago offers an abundance of new destinations awaiting exploration. Manila, pearl of the orient and gateway to the Philippines. Salomague and picture-perfect Vigan City, a UNESCO World Heritage Site. Dramatic Coron Island and its exquisite natural areas and hidden coves. The world-famous white sand beaches of Boracay. These and 12 other current and potential cruise destinations can be coupled to itineraries originating from China and Southeast Asia, or over time, Philippine-centric cruises embarking seasonally from Manila.

## WELCOME TO SOLAIRE CRUISE CENTRE

The Solaire Resort and Casino redefined world class in Manila, integrating gaming, entertainment, dining, and leisure into a single, iconic **Forbes Travel Guide 5 Star Award winning destination**. Our pursuit of excellence continues with Solaire Cruise Centre.

**Rolling out the blue carpet in August 2021**, Solaire Cruise Centre brings Manila and the Philippines to the cruising forefront, offering a purpose-built facility capable of welcoming the industry's newest and largest vessels.

**Location is key**, and Solaire's state-of-the-art pier and terminal facilities take advantage of nearby Entertainment City's extensive hotels and attractions as well as quick connection times to the Ninoy Aquino International Airport (15 minutes) and varied touristic and heritage venues (30 minutes).

**Solaire Cruise Centre offers an integrated cruise destination and resort experience** delivered with the same quality, security and white glove treatment received by all guests.

CRUISE CENTRE • MANILA

## SOLAIRE CRUISE CENTRE

Coming in 2021, the Solaire Cruise Centre will be the region's premier marine leisure gateway, linking Manila and the Philippines to the World.

Homeport and port-of-call ready, welcoming 348m and 310m vessels simultaneously. Extensive GTA areas programmed pier-side to meet pre-booked tour demand.

Over 7,000m<sup>2</sup> of terminal area across two floors housing baggage, screening, ticketing and other functions. Multi-functional spaces for special events.

Premier yachting center welcoming all nature of leisure vessels. Yacht Club and supporting VIP areas linked back to the Solaire Resort.

Links the entire Solaire waterfront, offering a series of landscaped walkways and plazas lined by outdoor retail, restaurants and bar areas.

Cruise guests can easily walk from the pier to retail and dining offerings found along the Esplanade and Solaire Shoppes district.

The resort's Bay and Sky Towers feature a total of 800 rooms, suites and villas. Solaire Phase 2 is slated to add additional rooms and extensive new attractions.

Solaire's 1,740-seat grand auditorium delivers world class shows, concerts, and plays. Folkloric and other specialty performances can be developed for cruise guests.

Supporting logistical facilities  
for independent tours and  
guest parking.
